Mr Joe Baini, The President for The World Council of the cedars revolution issued a press release in respond to the election of Mr Nabieh Berri to be the speaker of the parliament for the 5th time. The Majority of the people voted for a new parliament to defeat the radicals not to promote. If this is the new compromise, there is a long way for a political/ stability recovery for Lebanon. <http://www.almustaqbal.com/stories.aspx?StoryID=354937>
