90 signatures in a campaign of solidarity "against repression in Iran"

Systems 90 of the Lebanese activists in the areas of public action, writers, journalists and university professors campaign signatures for a "statement of solidarity against repression in Iran," saying:

"From this city, which he described Mr. Mohammad Khatami, the" bride of the Mediterranean, which must play its head held high, "We, the Lebanese Democrats, our solidarity with the movement of the Iranian people to seek freedom and democracy and pluralism.

Today, we listen to Tehran and understand the language of liberty, as we are Bjrhaa bleeding noble. On this site we stand with Iran uprising Green With Ohrarha in the face of the executioners and their detainees innocent people.

We are partners in injury in a dream and to seek justice, which meets all the language on request.

They tried cutting our memory and the memory of our cities, and we raise our voice and one high, from Beirut to Tehran, seeking freedom and rejection of tyranny and dictators. "

Here are the names of the signatories to the statement, according to the alphabetical order:
