

Phares to BBC Arabic: "Iran is a now a threat to Arabia, Egypt, Jordan and Israel combined"

Contributed by Walid Phares
Sunday, 13 June 2010

Professor Walid Phares to BBC Arabic commenting on a London Times article on Saudi possible airspace corridor to Israeli Airforce: "It is unlikely that an Arab moderate Government would declare openly that it is opening its airspace to Israeli jets but the fact is that the Iranian regime is a now a threat to Arabia, Egypt, Jordan and Israel combined."
