Phares introduces "The Coming Revolution: Struggle for Freedom in the Middle East" at Heritage Foundation: Blueprint for a new direction in US policy towards freedom in the region"

Professor Walid Phares introduces his new book "The Coming Revolution: Struggle for Freedom in the Middle East" at the Heritage Foundation: A Blueprint for a new direction in US policy towards freedom in the region. Identify the rising civil society movements against oppression, partner with them and mobilize international support for democracy forces in the region, to resist, contain and reverse the forces of Jihadism and oppression."
