### WCCR Statement on Iran

The World Council of the Cedars Revolution stands firmly with the brave people of Iran in their quest for freedom and justice. The Islamic Republic of Iran (IRI) has tortured, killed, raped and pillaged for over thirty years. The agents of the thuggish Mullahs including the Revolutionary Guards, the Basij, Hezbollah, Hamas and all others on the dole of the brutish Khamenei regime will all be held responsible for their crimes against not only Iranians but Lebanese and others in the region and throughout the world. This reign of terror will end one day soon and the thugs and criminals of the IRI will be held accountable.

The WCCR stands strongly with the demonstrators and offers them our unqualified moral support and hopes that one day soon justice will prevail in both Lebanon and Iran. Keep up your valiant struggle!
