Acts of Terrorism in Beirut

Remarks

Hillary Rodham Clinton
Secretary of State

Washington, DC

October 19, 2012

The United States condemns in the strongest terms the acts of terrorism that took place in Beirut's Achrafieh neighborhood today. We extend our deepest sympathies to the families and loved ones of those who were killed.

The assassination of the Brigadier General Wissam al-Hassan, who was a strong defender of Lebanon's security and its people, is a dangerous sign that there are those who continue to seek to undermine Lebanon's stability. Lebanon must close the chapter of its past and bring an end to impunity for political assassinations and other politically motivated violence. We call on all parties to exercise restraint and respect for Lebanon's stability and security.

The United States remains committed to an independent, sovereign, and stable Lebanon. We will continue to work with our partners to preserve Lebanon's security and stability.
